No.622

Outdoor Freestanding Advertising Kiosks

Sunlight Readable

Brightness is paramount when using outdoor screens these displays use commercial grade Ultra High Brightness panels (3,000 cd/m²), more than 5 times brighter than a standard home TV to allow easy readability in direct sunlight. The display also has an ambient light sensor that will alter the screens brightness based on the displays surrounding light levels. This leave sthe screen with the best clarity while also conserving energy.

Outdoor Enclosure

Designed with robust, corrosion protected, casing to protect against the elements and the public. With an IP65 rating, it keeps out all airborne particles as weel as being protected from any wet weather conditions and also feature waterproof over molded AV connectors. The enclosures are made from mild steel and have thermally toughened glass.

Temperature Control

The internal air-conditioning system allows the screens to be in constant use in an outdoor enrironment. Internal fans keep the panel and other internal components at the optimum working temperature; ensuring a long and reliable life for your display.

Easy Updates

Update the screen via the simple plug and play USB method. You can control the screen from anywhere in the world by upgrading to a Network version.

Removable Base

If desired the base can be removed before installation for a more streamline apprearance.

Network CMS Upgrade

We also offer cloud basis network CMS if required,and you can run the third party Digital Signage software viaour Android PC board too.

Sturdy Enclosure

Made from mild steel,the enclosure is strong enough to protect the displays components from outside harm such as vandals.

Touch Screen Upgrade

An IP65 Rating means the display is able to withstand all weather conditions, wet and dry and also features waterproof over molded HDMI connectors.

Sunlight Readable   24/7Usage   Touch Screen Upgrade   Android Media Player   Vandal Proof   Integrated Temperature Control   Steel Enclosure   Water Proof

Product Advantages

Outdoor advertising player digital signage Waterproof & Lightning protection LCD display screen kiosk

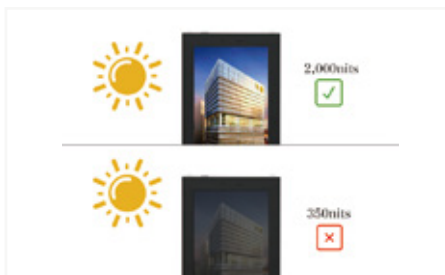

Product Advantages

Weather Proofing
Designed for outdoor purpose, all weather proofing!

High Brightness Screen
Screen would get up to 3,000nits as 5 times more than normal display, makes the screen is readable even under the strong sunlight.

Anti-glare Tempered Glass
Strong anti-glare tempered glass will ensure passenager would not see the reflected light anytime from any angle.

Lifting Bolt
In the consideration of safety and carry on issue, Screenage put two strong lifting bolt on the tope of the kiosk to avoide this issue.

Security Lock
Double lockes with special & unique keys for the public safety, ensure people can't open that unless they have the right key.

10 Watt Loudspeaker
Two 8 ohm 10 watt outdoor use loudspeaker on the side, ensure passengers could hear what you want they hear.
